Yes *I wish to have my Abstract considered for the RO Ball Young Scientist Award Competition*

RO Ball Young Scientist Award (Wednesday, January 18, 10:30 am to noon):

- Selection of candidates for the award will be made after review of abstracts by a committee composed of researchers and industry personnel. Selection will be based on well written abstracts, demonstrating good and relevant science.
- **Travel expenses will be reimbursed up to \$500** for at least 4 students whose abstracts are selected for oral presentation.
- Award candidates must be available to give an oral presentation the morning of Wednesday, January 18 at BPS 2012.
- The graduate student with best overall combination of good and relevant science, well written abstract and excellent presentation will receive the **RO Ball Young Scientist Award**.
- The winner will receive a cash prize of \$500 and a plaque. Second place winner will receive cash prize of \$250; third place will receive \$150.
