Nominator's Name: *(if different from above)* _____

Email: _____ **Phone:** _____ **Fax:** _____

Date: _____

- Entrants are expected to **attend the Banff Pork Seminar on January 17-20, 2012** to receive their award in person.
- You may submit your own innovative technology or may be nominated by someone else involved in the pork industry. (eg veterinarian, feed salesman, other agricultural professional or neighbour)
- Include a succinct **outline description in 400 words or less** how this innovation works and details of how this innovation improved pork production.
- Include **up to five supporting documents**, which could include visuals (video, photographs), impact statements or letters of support, financial statements, production data, design plans, drawings, or any other materials that you feel will aid the judges in understanding the innovation and its impact.
- Your total application package and supporting documents **should not to exceed 20 pages**. Brevity may benefit your application.
- Mailed entries must **submit five copies** of the complete application. Electronic submissions require one copy.
- All submissions become the property of the Banff Pork Seminar. Materials submitted will not be returned.
- Information on the award can be found on the website www.banffpork.ca.
- Send completed application package to:

Email – info@banffpork.ca
