Yes I wish to have my Abstract considered for the RO Ball Young Scientist Award Competition and confirm that I participated in the collection and analysis of the data that will be presented.

RO Ball Young Scientist Award (Wednesday, January 8, Afternoon Breakout Session):

- Selection of candidates for the award will be made after review of abstracts by a committee composed of researchers and industry personnel. Selection will be based on well written abstracts demonstrating good and relevant science.
- **Travel expenses will be reimbursed up to \$250** for up to 4 students whose abstracts are selected for oral presentation.
- Award candidates must be available to give an oral presentation at BPS 2020 during breakout session #8 on Wednesday, January 8, 2020.
- The student with best overall combination of good science that is applicable to the pork production industry a well written abstract and excellent presentation will receive the **RO Ball Young Scientist Award**.
- The winner will receive a cash prize of \$500. Second place winner will receive cash prize of \$250. Awards will be presented Thursday, January 9, 2020.
