Nominator's Name: *(if different from above)* _____

Email: _____ Phone: _____ Fax: _____

Date: _____

- Winners must present their innovation at the Banff Pork Seminar on January 10, 2024.
- You may submit your own innovative technology or may be nominated by someone else involved in the pork industry. (eg. a veterinarian, feed salesman, other agricultural professional, or neighbour)
- Include a concise **outline description in 400 words or less** how this innovation works and details of how this innovation improved pork production.
- Include **up to five supporting documents**, which could include visuals (video, photographs), impact statements, or letters of support, financial statements, production data, design plans, drawings, or any other materials that you feel will aid the judges in understanding the innovation and its impact.
- Your total application package and supporting documents **should not exceed 20 pages**. Brevity may benefit your application.
- Complete applications can be mailed or submitted electronically. Electronic submissions are preferred.
- All submissions become the property of the Banff Pork Seminar. Materials submitted will not be returned.
- More information on the award can be found on the website www.banffpork.ca.
- Send completed application package to pork@ualberta.ca
or mail to **Banff Pork Seminar**
